## King for a Day

An outback jet | A boundless sky | Victoria's King Valley at your fingertips

Words in a brochure can explain the facts, but they can't explain the feeling – the life-enriching sense of adventure that comes from flying over an enormous country in a private aircraft.

The only way to understand that is to hop on board the Outback Jet and feel it for yourself!

*A great way to celebrate a birthday or special occasion with friends.*

## A life enriching experience

Long drives, rigid itineraries or a designated driver. Is that really the best way to discover one of Australia's most well-known wine regions?

The rare travellers who delve beyond this country's surface begin to discover something special. It might start with a colourful tale they overhear in an outback pub – or the trade secrets they learn from a vintner as they pour a glass of artisanal wine. Sometimes it's the local legends they encounter, and sometimes, a glimpse of green rolling hills from above is what does it.

Whatever the cause, the result is the same: a meaningful connection to this land, formed by moments that can't quite be put into words.

With experienced hosts – and a sturdy pair of wings – you can travel higher, faster, and discover more in one day than you ever thought possible.

You can discover more of the *real* Australia.
