Your adventure starts here...

Day 1: Melbourne, Essendon – Angorichina Station, Flinders Ranges SA - Cooper Pedy

Depart Melbourne this morning for the outback and beyond. Touch down outback-style at remote and picturesque Angorichina Station in the Flinders Ranges. Enjoy a private station tour, lunch and a chat with the owners (now 6th generation locals). After lunch your pilot will fly you over one of South Australia's giant salt lakes, Lake Torrens, before arriving in Cooper Pedy. A private tour of this fascinating town includes a beautiful underground church, seeing how opals are cut and polished, and perhaps even taking the opportunity to spoil someone with 'mineshaft' prices.

Day 2: Coober Pedy – Alice Springs / West MacDonnell Ranges

After breakfast fly north to Alice Springs for a private tour out to the majestic West MacDonnell Ranges. This is the countryside that inspired the late Albert Namatjira so much - as you venture through this picturesque region there will be no doubt in your mind as to why. Perfect white ghost gums, rusty ochre cliffs and vivid blue skies.

1 night Mercure Alice Springs Resort

Flight time 1hr 15mins

Day 3: Alice Springs – Tindal – Point Stuart

Departing Alice Springs this morning we roughly track the Stuart Highway north en route to our destination Opium Creek Station's airfield. We visit this region for its unbounded beauty and isolation, offering all the wildlife and wetlands of the popular Kakadu National Park, minus all the tourists. This afternoon, a beautiful

little rainforest is on your doorstep, you may choose to interview the water buffalo in the paddock, or just relax by the pool.

2 nights Point Stuart Wilderness Lodge

2 Flights flying time 3hrs 05mins total

Day 4: Point Stuart, Mary River National Park

Today, as a privileged Air Adventure guest, you will experience some special parts of Point Stuart, cruising the Mary River Wetlands. This area has an abundance of large wading birdlife and man's least best friend, the saltwater crocodile. With the right tide, an afternoon of barramundi fishing is arranged for all who wish to participate. It is a lot of fun, and for non-fishing types the experience lends itself to an exceptional wildlife cruise. This evening your chef is on stand-by to prepare your own impossibly fresh barramundi delight. **No flight today.**

Day 5: Point Stuart – Snake Bay, Melville Island – Bullo River Station

Leaving Point Stuart after breakfast, the Outback Jet flies guests onto Melville Island where you are met by your Tiwi guides. Traditional owners welcome and escort guests throughout this fascinating island; visiting local art and craft workshops. The ochres used here are all sourced from the island, your guides will show you how they mine and then prepare it. Tiwi art is sought the world over. Have morning tea and lunch with your Tiwi hosts before the short flight to Darwin to refuel and then continue to Bullo River Station.

WELCOME YOU
onboard...

In the early 1960s the north of Western Australia was still considered by many to be the end of the world. Then along came **Rod Dyer (1925-2008)- Pioneering Pastoralist and Bush Pilot** - with a vision.

Air Adventure Australia was founded by Rod having clocked up over 10,000 hours as a bush pilot he pioneered 'Ellenbrae' cattle station in the Kimberley back in the 60s.

It was the combination of **Rod's knowledge, love of the outback and flying** that led him to launch Air Adventure. Since 1977, thousands of travellers have chosen to fly with Air Adventure to the Australia less-travelled.

Today, the company is guided by Rod's son, John Dyer who is also a pilot and very passionate about creating high quality travel experiences spanning the entirety of the Australian continent.

His team at Air Adventure, including his wife Alyson, share his enthusiasm and **dedication to create unforgettable travel** for their guests.

Don't just take it from us... here's what our previous travellers say:

"Air Adventure is obviously held in very high regard by all the places we visited & everyone, everywhere made sure we had the best time possible. We didn't want to come home and can't wait to travel again."

- S. Sutton ACT - Flyaway Faraway

"This is one of the best things that we have done in our lives."

- I. & J. Askew, Port Fairy - African Air Safari
