## Our story...

In the early 1960s the north of Western Australia was still considered by many to be the end of the world. Then along came Rod Dyer (1925-2008)- Pioneering Pastoralist and Bush Pilot - with a vision.

Air Adventure Australia was founded by Rod having clocked up over 10,000 hours as a bush pilot he pioneered 'Ellenbrae' cattle station in the Kimberley back in the 60s.

It was the combination of Rod's knowledge, love of the outback and flying that led him to launch Air Adventure. Since 1977, thousands of travellers have chosen to fly with Air Adventure to the Australia less-travelled.

Today, the company is guided by Rod's son, John Dyer who is also a pilot and very passionate about creating high quality travel experiences spanning the entirety of the Australian continent.

His team at Air Adventure, including his wife Alyson, share his enthusiasm and dedication to create unforgettable travel for their guests.

### **Don't just take it from us... here's what our previous travellers say:**

"Our tour leader Diana was outstanding - she was great company, and an unobtrusive carer of us. The lunch by the harbour was beautifully done, fresh, delicious crayfish which was brilliantly organised and the whole trip was truly wonderful."

- Elizabeth, Heathmont, VIC

"A wonderful adventure! Living up to expectations and beyond."

- Pam, South Yarra, VIC
