Depart chilly Melbourne this morning bound for the outback and beyond. You will notice the countryside below you changing before your very eyes - from lush green, to rusty red... touch down outback-style in Coober Pedy.

A private tour of this fascinating town including a traditional 'dugout' home, a beautiful underground church, a unique golf course, seeing how opals are cut and polished and perhaps even taking the opportunity to spoil someone with 'mineshaft' prices then finish the day with a drive out to the alien landscape of the Breakaways Range for sundowners.

Day 3: Alice Springs – Tindal – Point Stuart

Departing Alice Springs this morning we roughly track the Stuart Highway north en route to our destination, Opium Creek Station's airfield. We visit this region for its unbounded beauty and isolation, offering all the wildlife and wetlands of the popular Kakadu National Park, minus all the tourists. Point Stuart Wilderness Lodge (2 nights)

Flight time 3hrs 10mins total (2 flights)

Day 4: Point Stuart, Mary River National Park

Today, as a privileged Air Adventure guest, you will experience some special parts of Point Stuart, cruising the Mary River Wetlands. This area has an abundance of large wading birdlife and man's least best friend, the saltwater crocodile. With the right tide, an afternoon of barramundi fishing is arranged for all who wish to participate. It is a lot of fun, and for non-fishing types the experience lends itself to an exceptional wildlife cruise. This evening your chef is on stand-by to prepare your own impossibly fresh barramundi delight.

No flight today.

Day 5: Point Stuart – Bathurst Island – Bullo River Station

Leaving Point Stuart after breakfast, the Outback Jet flies guests onto Bathurst Island where you are met by your Tiwi guides. Traditional owners welcome and escort guests throughout this fascinating island on a cultural tour. Have morning tea and lunch with your Tiwi hosts before the short flight to Darwin to refuel and then continue to Bullo River Station. Here the airstrip is literally a stone's throw from the Homestead. Settle in to your accommodation and enjoy some time to relax.

Alyson and John Dyer

Our Story...

In the early 1960s the north of Western Australia was still considered by many to be the end of the world. Then along came Rod Dyer (1925-2008)- Pioneering Pastoralist and Bush Pilot - with a vision. Air Adventure Australia was founded by Rod having clocked up over 10,000 hours as a bush pilot he pioneered 'Ellenbrae' cattle station in the Kimberley back in the 60s.

It was the combination of Rod's knowledge, love of the outback and flying that led him to launch Air Adventure. Since 1977, thousands of travellers have chosen to fly with Air Adventure to the Australia less-travelled.

Today, the company is guided by Rod's son, John Dyer who is also a pilot and very passionate about creating high quality travel experiences spanning the entirety of the Australian continent. His team at Air Adventure, including his wife Alyson, share his enthusiasm and dedication to create unforgettable travel for their guests.

Don't just take it from us... here's what our previous travellers say:

"Our tour leader Diana was outstanding - she was great company, and an unobtrusive carer of us. The whole trip was truly wonderful."- Elizabeth,
Heathmont, VIC

"A wonderful adventure! Living up to expectations and beyond."
- Pam, South Yarra, VIC
