Alyson and John Dyer

Our Story...

In the early 1960s the north of Western Australia was still considered by many to be the end of the world. Then along came Rod Dyer (1925-2008)- Pioneering Pastoralist and Bush Pilot - with a vision. Air Adventure Australia was founded by Rod having clocked up over 10,000 hours as a bush pilot he pioneered 'Ellenbrae' cattle station in the Kimberley back in the 60s.

It was the combination of Rod's knowledge, love of the outback and flying that led him to launch Air Adventure. Since 1977, thousands of travellers have chosen to fly with Air Adventure to the Australia less-travelled.

Today, the company is guided by Rod's son, John Dyer who is also a pilot and very passionate about creating high quality travel experiences spanning the entirety of the Australian continent. His team at Air Adventure, including his wife Alyson, share his enthusiasm and dedication to create unforgettable travel for their guests.

Don't just take it from us... here's what our previous travellers say:

"You're both stupendous, fantastic, colossal people. You may think lots of superlatives, we think not enough. Keep going forever!"

- Ceri & Dennis, North Sydney, NSW

"We are all so privileged to have you both as tour leader and pilot. Wonderful job and a great trip."

- Clyde, Woolbrook, NSW

No devil in this detail...

Your Aircraft:

Travel is in the privately chartered Air Adventure Outback Jet, Pilatus PC-12. This prop-jet aircraft is a fast, reliable outback machine capable of landing on gravel and remote airfields where others in larger aircraft can't. The Outback Jet is operated by Armada Aviation, which holds an Air Operators Certificate issued by CASA. All pilots are highly experienced and carry a Commercial Pilots License. It's equipped with state-of-the-art avionics and is all weather rated with impressive safety features. The interior is spacious with custom leather seating, climate control and clear windows (every seat is the window seat) making in flight viewing a joy.
