FLYAWAY FARAWAY ...

Your adventure day by day

Day 1: Melbourne, Essendon – Broken Hill - Coober Pedy

Depart chilly Melbourne this morning bound for the outback and beyond. You will notice the countryside below you changing before your very eyes - from lush green, to rusty red... touch down outback-style in Coober Pedy.

A private tour of this fascinating town including a traditional 'dugout' home, a beautiful underground church, a unique golf course, seeing how opals are cut and polished and perhaps even taking the opportunity to spoil someone with 'mineshaft' prices then finish the day with a drive out to the alien landscape of the Breakaways Range for sundowners.

*Desert Cave Hotel - sleep underground like a local! (1 night)
Flight time 3hrs 45mins total (2 flights)*

Day 2: Coober Pedy – Alice Springs / West MacDonnell Ranges

After breakfast fly north to Alice Springs for a private tour out to the majestic West MacDonnell Ranges.

This is the countryside that inspired the late Albert Namatjira so much - as you venture through this picturesque region there will be no doubt in your mind as to why. Perfect white ghost gums, rusty ochre cliffs and vivid blue skies.

*Crowne Plaza, Alice Springs (1 night)
Flight time 1hr 15mins*

Day 3: Alice Springs – Tindal – Point Stuart

Departing Alice Springs this morning we roughly track the Stuart Highway north en route to our destination, Opium Creek Station's airfield.

We visit this region for its unbounded beauty and isolation, offering all the wildlife and wetlands of the popular Kakadu National Park, minus all the tourists. This afternoon we'll drive you out across the plains of Opium Creek Station for sunset.

*Point Stuart Wilderness Lodge (2 nights)
Flight time 3hrs 10mins total (2 flights)*

Spectacular Mary River

Day 4: Point Stuart, Mary River National Park

Today, as a privileged Air Adventure guest, you will experience some special parts of Point Stuart, cruising the Mary River Wetlands. This area has an abundance of large wading birdlife and man's least best friend, the saltwater crocodile.

With the right tide, an afternoon of barramundi fishing is arranged for all who wish to participate. It is a lot of fun, and for non-fishing types the experience lends itself to an exceptional wildlife cruise.

This evening your chef is on stand-by to prepare your own impossibly fresh barramundi delight.

First we land at the Mitchell Plateau, then board a helicopter, take off and enjoy a scenic flight over the Mitchell Falls before tracking to the camp and landing on the beach.

Welcomed at the door of the helicopter, it's only a short stroll across the sand to this ultra-remote, tranquil lodge positioned just behind the beach, overlooking the sparkling Timor Sea.

OUR STORY ...

In the early 1960s the north of Western Australia was still considered by many to be the end of the world.

Then along came Rod Dyer (1925-2008)- Pioneering Pastoralist and Bush Pilot - with a vision.

Air Adventure Australia was founded by Rod having clocked up over 10,000 hours as a bush pilot he pioneered 'Ellenbrae' cattle station in the Kimberley back in the 60s.

It was the combination of Rod's knowledge, love of the outback and flying that led him to launch Air Adventure. Since 1977, thousands of travellers have chosen to fly with Air Adventure to the Australia less-travelled.

Today, the company is guided by Rod's son, John Dyer who is also a pilot and very passionate about creating high quality travel experiences spanning the entirety of the Australian continent.

His team at Air Adventure, including his wife Alyson, share his enthusiasm and dedication to create unforgettable travel for their guests.

"Our tour leader Diana was outstanding - she was great company and an unobtrusive carer of us. The whole trip was truly wonderful. "
